G.O.Ms.No.1988 Dated the 29th April 1953.

G.O.Ms.No.5303 Development dated 28/12/50.

From the Collector of Nellore No.L.Dis.19643/52 dated 27/12/52.

From the Director of Industries and Commerce No.J.5798/52 dated 29/1/53.

Order:

Sri Valluru Sesha Reddy applied for permission under G.O. Ms.No.5303 Development dated 28/12/50 to commence mining operations in his patta land in S.No.941 of Guddalur village, Rapur Taluk, Nellore district. The applicant paid the security deposit of Rs.500/- but failed to execute the tentative agreement. The Collector of Nellore therefore recommended the rejection of the application. The Government instructed the Collector to give the applicant another notice allowing him a month's time for the execution of the deed. The Collector has now reported that the applicant executed and filed the lease deed but has not produced the Income-Tax Clearance Certificate, in spite of another notice. He considers that the applicant is delaying at each and every stage and seems to be not interested in getting the lease. He has therefore recommended that his application may be deemed to have been withdrawn and that orders may be ~~pleased to~~ refund the application fee and security deposit.

2.The Collector of Nellore is informed that the insistence on the production of income tax clearance certificate referred to in G.O.Ms.1714 Development dated 31-4-52 will so long as the rule is in force apply only to cases in which Government grant the leases or licences according to the provisions of the Mineral Concession Rules, 1949, and that it is not applicable to cases of temporary permission granted under G.O.No.5303 Development dated 28/12/50 to commence mining operations in patta lands. The Collector is therefore requested to grant temporary permission to Sri Valluru Sesha Reddy, without insisting on the production of Income-tax clearance certificate. The application of Sri Valluru Sesha Reddy and the record of enquiry are returned.

3.In his letter cited, the Director of Industries and Commerce has requested instructions whether Collectors may without reference to Government reject applications for grant of temporary permission to conduct mining operations and refund security deposit in cases which are not in conformity with the provisions of G.O. No.5303 Development dated 28/12/50. The Government have examined this question and they direct that Collectors of districts be empowered to reject applications in such cases and also refund the security deposits.
